Subject: Proposed car pool fee

Don,

The South Acton Commuter Rail Task Force is proposing that a \$50 annual fee be collected, in addition to the regular sticker fee, per car pool for the pending pilot program. It occurs to me that the Board of Selectmen will have to approve such a fee, and SACRTF should be advised, for purposes of their promotional material, as to what counter in Town Hall paying applicants should be directed. I hope these points can be addressed at the 28 November BOS meeting.
